Gourd Patch

**We invite you to join our Gourd Patch
and attend our upcoming meetings and activities.**

The Fallbrook Area Gourd Patch is a non-profit organization. It is a chapter of the California Gourd Society which in turn is a part of the American Gourd Society.

Our purpose is to interact with fellow gourd enthusiasts by sharing knowledge and techniques of carving, decorating, and embellishing gourds. We participate in shows, fairs, festivals and related activities and gatherings throughout the year.

The Patch meets every other month. A newsletter will be sent to you before each meeting with details. Membership is renewed each January. The fee also includes an automatic enrollment into the California Gourd Society. This will allow you to participate in their functions as well.
